

CRD Evacuation Alert

Titetown and Nazko North Area #2

Thursday, July 15, 2021 at 5:30 pm

An Evacuation Alert expansion has been issued by Cariboo Regional District at the Emergency Operations Centre (EOC).

Because of the potential danger to life and health, the Cariboo Regional District has issued an Evacuation Alert for the following areas:

See attached map

An Evacuation Alert has been issued to prepare you to evacuate your premises or property should it be required.

Residents will be given as much advance notice as possible prior to evacuation; however, you may receive limited notice due to changing conditions.

WHAT YOU SHOULD DO WHEN AN ALERT IS IN EFFECT

Upon notification of an **ALERT**, you should be prepared for an evacuation order by:

- Having a plan to transport all family members or co-workers outside of the area, should the area be brought under evacuation order.
- Keeping essential items readily available for a quick departure; including medications, eyeglasses, valuable papers (i.e. insurance), immediate care needs for dependents and, if you choose, keepsakes (photographs, etc).
- Ensuring that any dependents are prepared for departure.
- Prepare to move people with disabilities, children and/or neighbours, if assistance is needed.
- Moving pets and livestock to a safe area.
- Ensuring that you have accommodation options for your family, if possible. A Reception Centre will be made available if required.
- In the event you are evacuated, **do not** shut off your natural gas. For more information, visit fortisbc.com/forestfires.
- Monitoring reliable news sources for information on evacuation orders and locations of Reception Centres and the CRD's channels on Facebook and cariboord.ca/emergency.
- If you are on an evacuation ALERT, or if you have been displaced from your home due to an emergency, please self-register for Emergency Support Services. Self-Registration will reduce wait times for evacuees and assist in the referral process. <https://ess.gov.bc.ca/>

The map displays the Bulkley-Nechako region with a focus on the Titetown and Nazko North Area. The area is divided into two main sections: a northern section labeled 'Titetown and Nazko North Area Alert #2' in orange, and a southern section labeled 'Titetown and nazko North Area' in yellow. The orange section is further divided into a grid pattern. The yellow section also contains a grid pattern. Several green hatched areas are scattered throughout the yellow section, representing First Nations Reserves. Roads shown include Pelican Lake FSR, Batnuni Rd, and Nazko Rd. A scale bar at the bottom left indicates distances from 0 to 120 meters. A legend in the bottom left corner defines the colors and patterns used. A north arrow is located near the scale bar. The map is titled 'Bulkley-Nechako' at the top.
