

Lytton Complex

Lytton Creek (K71086)

FIRE SIZE:

24,365 hectares (estimate)

FIRE STATUS:

Out of Control

RESOURCES:

There are 76 personnel, three helicopters, 10 pieces of heavy equipment, an Incident Management Team and 28 Structure Protection personnel.

UPDATE:

Yesterday, July 23, the Lytton Creek wildfire experienced increased fire behaviour and growth on the northeast flank. A spot fire has spread to the east side of Highway 8 and the Nicola River, about five kilometers north of Shackan IR. This area is being actioned today by crews engaging in direct attack. Ground personnel are being supported by helicopters performing bucketing activities as well as a fire department task force. There are currently 46 personnel actioning this fire, with an additional 30 working the fire throughout the evening.

Increased fire activity has also been observed on the north flank of the fire and growth continues north towards Spences Bridge. Helicopters are bucketing in this area today.

North flank of the Lytton Creek wildfire (K71086) July 24, 2021

EVACUATION ORDERS AND ALERTS:

The Village of Lytton has an Evacuation Order in effect for all properties in the Village of Lytton. The Thompson-Nicola Regional District and the Squamish-Lillooet Regional District have issued evacuation Orders for the Lytton Creek wildfire. On July 6th, some Evacuation Orders were changed to Alters in the TNRD. On July 13th the TNRD downgraded the Evacuation Order for the Gladwin area to an Alert, however due to strong winds influencing fire activity later in the afternoon the Alert was upgraded to an Order again. On July 20, the Thompson-Nicola Regional District has issued an Evacuation Alert for properties in Electoral Area "I" in the vicinity of Spences Bridge. To see the full list of affected properties and the changes in the order and alert, please contact:
