Disclaimer:
Wildfire perimeters for the current fire season, including both active and inactive fires, are supplied from various sources. The fire perimeters may not be accurately spatially to the public map. Wildfire data may not reflect the most current information and should not be relied upon or used for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates may vary. The data is provided on an "as is" basis for information only and should not be relied on as accurate because fires are dynamic and circumstances may change quickly. Ministry of Forests, Lands, Natural Resource Operations and Rural Development makes no warranty as to the suitability of the data for any purpose and assumes no liability for any decisions made or actions taken or not taken by any person in reliance upon the data. Ministry of Forests, Lands, Natural Resource Operations and Rural Development does not guarantee that the data is free from errors, omissions, or inaccuracies. The Province of British Columbia disclaims all warranties, expressed or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose. Ministry of Forests, Lands, Natural Resource Operations and Rural Development shall not be liable for any special, direct, indirect, consequential or other damages suffered or alleged to have been suffered as a result of reliance upon the data, even if Ministry of Forests, Lands, Natural Resource Operations and Rural Development has been advised of the possibility of such damages. Some jurisdictions do not allow the exclusion of implied warranties or the limitation or exclusion of liability for certain damages, so the above limitations and exclusions may not apply to you.
