Meldrum Complex
Overview
August 21, 2010

The map displays the Meldrum Complex, a large fire zone in British Columbia, Canada. It is divided into two main sections: **NORTH** (Frequency 122.85) and **SOUTH** (Frequency 122.40). The map includes a coordinate grid with longitude (123°20'0"W to 122°8'0"W) and latitude (51°44'0"N to 52°40'0"N) markings. Key roads shown include Chilcotin Hwy 20, Rosita-Meldrum FSR, and various local roads like Lands Rd, Lee Rd, and Beaver Lake Rd. The map also shows fire zones (red outlines), fire complexes (pink outlines), and fire branches (grey outlines). Other features include private land (orange), federal land (pink), first nations (green), and parks and protected areas (light green). The map is titled "Meldrum Complex Overview" and dated "August 21, 2010".
