An Evacuation Alert has been issued by the Peace River Regional District at the Emergency Operations Centre (EOC).

BC Wildfire Service has recommended an evacuation alert as a result of the Battleship Mountain wildfire (G72150). The wildfire is anticipated to reach as far as 3km to the west of Carbon Lake overnight.

Because of the potential danger to life and health, the Peace River Regional District has issued an **Evacuation Alert** for the following areas:

- Table Creek south to Dowling Creek (8km west of the WAC Bennett Dam, 40km Johnson FSR)
- Southwest following Dowling Creek to the intersection of McAllister Creek
- West to approximately 10km West of Peck Creek
- North to Williston Lake

An Evacuation Alert has been issued to prepare you to evacuate your premises or property should it be found necessary. Residents will be given as much advance notice as possible prior to evacuation; however, you may receive limited notice due to changing conditions.

WHAT YOU SHOULD DO:

- Locate all family members and designate a meeting area outside the evacuation area, should an Evacuation Order be called while separated.

- Prepare to move disabled persons, children and/or neighbours, if assistance is needed.
- Prepare to take pets with you including pet care items (leash, carrier, food) and move livestock to a safe area (if possible).
