Branch at km. GPS Coordinates:

Date of removal:

In my professional opinion:

All dismantling and removal work is in general conformance and consistent with obligations set out under Access Control Authorization (AC) #

Comments:

I confirm that as the Access Control authorization holder I have contacted all road use permit holders on this road and they are aware of my intentions to remove access control to this branch of this Forest Service Road. List of road users contacted:

Company and contact name

Company and contact name:

• Sufficient field reviews of the work considered necessary have been completed, and at my discretion. I confirm that the completed work is in general conformance with the accepted authorizations and other supporting documents prepared for this project have been carried out at appropriate times during the work by me or under my professional direction.
