

FSR Renaming Project Update

The Chilliwack Natural Resource District is in the process of renaming the Forest Service Road branches within the district. The spreadsheet named “Chilliwack Forest District FSR Renaming – Part1” shows a partial list of the old FSR names and the converted new FSR names. The final list of the remaining new names will be added in Part 2 of the spreadsheet to be posted at a later date.

Thank you

Lindsay Scott
GIS Technician
Chilliwack Natural Resource District
