Dear Michael Schwanke

Re: Temporary Road Closure of the Norrish Creek FSR

As per the City of Abbotsford Company request for temporary road closure at approximately 0.75 km on the Norrish Creek FSR in order to repair the road and stabilize a landslide at 2.2km, scheduled from September 6 to October 24, 2022, authorization is hereby given under Section 22.2(3) of the Forest and Range Practices Act subject to the following:

- Full road closure with no vehicle access from September 6 to October 24, 2022.
- Any changes to this schedule must be pre-authorized through this office.
- Road closure/delay signs must be erected at the start of the Norrish Creek FSR (0.0km) and the start and end of the road section under construction at 2.2 km.
- Signs must include a contact number and email accessible on a timely basis where persons may inquire for more information or questions.
- Traffic control must comply with the Traffic Management Plan prepared by Koper and Company Traffic Services for the City of Abbotsford dated September 1, 2022 and be in place for all operations during working hours.

The above schedule and information will be posted to the District website. As a part of the web posting, I require an access contact number and email address, similar to the information required for the signs you will be placing in order for effective support in addressing any questions, unforeseen hazards or other concerns that may arise from road users during your operations.
