Re: Tlowitsis Tribe Forest Stewardship Plan (FSP) Major Amendment #2

Dear Lesley Fettes, R.P.F.,

The Holder of the Tlowitsis Tribe FSP (#559) approved on October 7, 2019 with a term of five years is requesting District Manager approval of Amendment #2. The amendment addresses the new *Notice – Indicators or the Amount, Distribution and Attributes of Wildlife Habitat Required for the Survival of Marbled Murrelet (Brachyramphus marmoratus)*, effective December 2, 2021 and the *Order for the Recovery of Marbled Murrelet (Brachyramphus marmoratus),* effective December 2, 2021.

This is a mandatory amendment under Section 8(1) of the Forest and Range Practices Act, and may be exempted from review and comment under Section 32 of the Forest Planning and Practices Regulation. Formal consultation with Indigenous Nations will be completed by the Ministry of Forests.

If you require further information regarding the amendment, please call me at (604) 839-0696 or email *avandelft@aatrading.com*. Thank you for your consideration of this amendment.

Sincerely Yours,
