

From Van Jam Office. Turn right and travel down the hill. Continue through 3 intersections and just past the Coop Gas Station, turn left onto Nechako Avenue (Kenny Dam Road). Travel approximately 25 km along the Kenny Dam Road to reach the intersection with the Kluskus FSR (at 18.5 km of the Kluskus). Turn left onto the Kluskus FSR and travel to 77 km. There is currently security located at 77 km which may direct all traffic to an alternate route. If not directed down the alternate route, continue down Kluskus to 146 km. If directed to alternate route, turn right onto the Red Road, and travel approximately 45 km to the junction with the Kluskus at 115 km. Turn right onto the Kluskus and travel from 115 km up to 146 km. Turn left at 146 km onto the Blackwater Mine Road and travel approximately 17 km into camp.

This map may contain CONFIDENTIAL information: for INTERNAL use only.

- Disclaimer:** Wildfire perimeters for the current fire season, including both active and inactive fires, are supplied from various sources. The data is refreshed from operational systems nightly to the public map. Wildfire data may not reflect the current fire situation, and the information should not be used for operational purposes. Wildfire data from the incident is updated as often as possible and the occurrence of individual fire updates will vary . The information is intended for general purposes only and should not be relied on as accurate because fires are dynamic and wildfire data is not changed quickly. The levels of fire activity within the mapped fire perimeters can vary widely. In the event that the perimeters overlay locations with property or infrastructure, the perimeters do not indicate what level of

A horizontal number line with tick marks at 0, 2, 4, 6, and 8. The segments between 1 and 2, and between 4 and 6, are highlighted in white, while the segments between 0 and 1, 2 and 4, 6 and 8, and the points themselves are black.
