This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including those that are out, are updated daily from provincial sources. The data is refreshed from operational systems nightly to the public map. Wildfire data may not reflect the most current information and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when available. The accuracy of the mapped fire perimeters will vary. The information is intended for general purposes only and should not be relied on as accurate for any specific use. Wildfire perimeters are subject to change quickly. The levels of current fire activity within the mapped fire perimeters can vary widely.
