- Lake - Intermittent

This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including the most recent, are preliminary and subject to change and sources. The data is refreshed from operational systems throughout the day and is subject to change as more is known about the current fire situation, and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when information is received and processed and is provided as-is with no warranty. The information is intended for general purposes only and should not be relied on as accurate. Wildfire data is subject to change without notice and may change quickly. The levels of current fire activity within the mapped fire perimeters can vary widely.
