- Wetland
- Freshwater

This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including the most recent ones, are supplied from various sources. The data is extracted from operational systems and is subject to change as more information becomes the current fire situation, and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when resources are available and may not be complete at all times. The information is intended for general purposes only and should not be relied on as accurate for any specific purpose. Use of information is at your own risk. The Province of British Columbia disclaims any liability for any errors, loss or damage caused by the use of information.
