Re: Alteration Permit 2017-0027 - Granted

Dear Ian Cameron and Jane Wang:

Further to Application **16A0332**, submitted for Branch consideration on **May 24, 2016**, I am pleased to enclose Alteration Permit **2017-0027**. Please keep this copy for your records; the original will be retained in the Archaeology Branch permit file.

The results of your alterations are to be presented in a permit report, submitted in both double-sided hard copy and PDF formats, by **May 31, 2019**.

Should you have any questions regarding this permit, please contact your Project Officer, **Eric Forgeng**, who can be reached by calling **(250) 953-3362**, or emailing **eric.forgeng@gov.bc.ca**.

Please note that the permit number listed above must be referenced in the subject line of all permit-related emails sent to the Archaeology Branch.

Sincerely,

Paula Thorogood

(See back for *Conditions*)

GENERAL TERMS AND CONDITIONS OF PERMIT

1. Permits shall be valid for the term stipulated on the front of the permit unless otherwise suspended or cancelled. Extensions to the term of the permit, or other amendments, will be considered upon submission of a request to the Archaeology Branch at least 45 days prior to the expiry date of the permit.
2. The permit-holder shall provide the Archaeology Branch with one (1) bound copy, if longer than five (5) pages, and one (1) electronic copy in PDF format of a written report outlining the work carried out under the terms of the permit.
3. The title page of all reports must indicate the name(s) of the copyright owner(s) and, where agreed to, a Grant of License statement completed and signed by the copyright owner(s).
4. The permit-holder shall provide the Archaeology Branch with an updated British Columbia Archaeological Site Inventory Form for any site altered under authority of the permit.
5. A person appointed by the Branch may at any time inspect any aspect of a project conducted under the terms of this permit. To further their inspection, the appointee may request field data, or conduct excavations within the study area. Notwithstanding the expiration or earlier termination of the term of the permit this provision will remain and continue in full force and effect.
6. Where a condition for archaeological monitoring of development is attached to the permit, the permit-holder shall arrange for a secure repository to curate any materials recovered under authority of the permit.
7. Heritage objects and associated materials recovered under authority of the permit may not be sold or exchanged for financial gain. Any other transfer of heritage objects, materials and records, or changes to the conditions identified under the "Disposition of materials collected..." section of the permit, may only be carried out with prior consent of the Minister.
8. A permit does not authorize the holder of the permit to enter property, or to make any alteration to property, without the permission of the owner or occupier.
9. In the event that human remains are encountered, all work must cease in the vicinity of the remains and the Archaeology Branch must be contacted for direction, unless otherwise provided for in the permit application.
10. Where concurrent archaeological studies are required, per Section 5 of the application, an Eligible Archaeologist, as approved by the Branch, will be retained by the applicant. Any ground-altering activities must be conducted under the direction of the archaeologist.
11. Any other conditions that may be specified in the permit.
