This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire numbers for the current fire season, including both active and inactive fires, are supplied from various sources and are subject to change. Data is not updated nightly to the public map. Wildfire data may not reflect the most current information and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates will vary. The information is intended for general reference purposes only and may not be accurate or precise because fires are dynamic and circumstances may change quickly. The levels or current fire activity within the Fraser Fort George area can vary widely.
