Disclaimer:
Wildfire perimeters for the current fire season, including the fire perimeter mapped today, are supplied from various sources. The data is collected from operational systems and is subject to change. Wildfire perimeters are provided for GIS and reference purposes only and should not be relied on as accurate because fires are dynamic and circumstances may change rapidly. The Province of British Columbia makes no warranty, expressed or implied, as to the accuracy, reliability, or completeness of the information contained in this map.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updated daily. The data is refreshed from operational systems and is subject to change. Wildfire perimeters are provided for GIS and reference purposes only and should not be relied on as accurate because fires are dynamic and circumstances may change rapidly. The Province of British Columbia makes no warranty, expressed or implied, as to the accuracy, reliability, or completeness of the information contained in this map. The support for perimeters can vary widely.
