This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including the most recent perimeters, are preliminary in nature and sources. The data is refreshed from operational systems nightly to the public map. Wildfire data may not reflect the most recent fire activity and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates will vary. The information is intended for general reference purposes only and may not be accurate or current because fires are dynamic and circumstances may change quickly. Please contact the fire centre responsible for the mapped fire perimeters can vary widely.
