Disclaimer:
Wildfire numbers for the current fire season, including both active and inactive fires, are supplied from various sources and are subject to change. Not all fires are reported nightly to the public map. Wildfire data may not reflect current conditions and should therefore should only be used for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates will vary. The information is intended for general reference purposes only and may not be accurate or complete because fires are dynamic and circumstances may change quickly. The levels or current fire activity within the Fire Hazard Assessment can vary widely.
