This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Rehab boundaries for the current fire season, including both active and inactive fires, are supplied from various sources and may not be accurate. Rehab is not updated nightly to the public map. Wildfire data may not reflect the most current information and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates will vary. The information is intended for general reference purposes only and may not be accurate because fires are dynamic and circumstances may change quickly. The levels of current fire activity within the Report Parameters can vary widely.
