- Rehab Work Zone Boundaries
- River
- Lake
- Lake - Intermittent
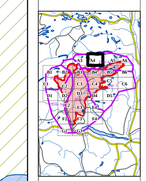
- Private



This map may contain CONFIDENTIAL information; for INTERNAL use only

Disclaimer:
Rehab numbers for the current fire season, including both active and inactive fires, are supplied from various sources. The data is refreshed from operational systems on a daily basis. The information is intended for use during the current fire situation, and therefore should only be used for rehab-related purposes.

Please note that the footprint is updated when areas/scars are first discovered or extended the spatial accuracy will vary. The information is intended for general reference purposes only. Please be aware that fire activity is dynamic, fires are dynamic and circumstances may change quickly. The levels of current fire activity within the mapped fire perimeters can vary widely.
