This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including both active and inactive fires, are supplied from various sources. The BC Wildfire Service makes no warranty, express or implied, as to the product map. Wildfire data may not reflect the current fire situation, and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when resources are available and therefore may not be complete or up to date. The information is intended for general purposes only and should not be relied on as accurate. Please refer to the BC Wildfire Service website for the most current information. The levels of control fire activity within the perimeter have been omitted.
