This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including wildfires that have reached "Out" this season (see source), are digitized in the operational wildfire management database by the Provincial Wildfire Service. All fire zone maps are for reference, and the zone may or may not be used for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates may vary. The maps are intended for use for planning purposes only and should not be relied on as accurate because fires are dynamic and circumstances may change rapidly. The accuracy of the data may affect the mapped fire perimeters can vary widely.
