**Disclaimer:**
Wildfire numbers for the current fire season, including both active and inactive fires, are supplied from various sources. The data is refreshed from operational systems on a daily basis. The accuracy of the data is subject to the currency of the source, and therefore should only be considered approximate.

Wildfire data from the incident is updated when perimeters and the occurrence of individual fire updates will vary. The information is intended for general reference purposes only. Please note that fire boundaries because fires are dynamic and circumstances may change quickly. The levels of current fire activity within the mapped fire perimeters can vary widely.
