This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including the most recent perimeters, are compiled from various sources. The data is extracted from operational systems mainly for the public map. Wildfire data may not reflect the most accurate information therefore should only be used for reference purposes.

Wildfire data from the incident is updated when information is received and the accuracy of the perimeters will vary. The information is intended for general purposes only and should not be relied on as accurate for survey. The fire perimeters are approximate and change quickly. The levels of current fire activity within the mapped fire perimeters can vary widely.
