Disclaimer:
Wildfire perimeters for the current fire season, including both active and inactive fires, are supplied from various sources. The BC Wildfire Service makes no warranty with regards to the public map. Wildfire data may not reflect the current fire situation, and therefore should only be used for planning purposes.

Wildfire data from the inventory is updated when practicable and the occurrence of individual fire updates may lag. The fire perimeter data is for display purposes only and should not be relied on as accurate because fires are dynamic and circumstances may change rapidly. Fire sizes and locations may differ from the mapped fire perimeters can vary widely.
