This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including the perimeters displayed on this map, are provisional in nature. The data is intended from operational systems mighty to the public map. Wildfire data may not reflect the final perimeter of a wildfire therefore should only be used for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates will vary. The information is intended for general reference purposes only and may not be accurate, complete or timely. Due to dynamic and circumstances may change rapidly. Consequently the Province of British Columbia makes no warranty, expressed or implied, about the mapped fire perimeters can vary widely.
