- River
- Lake
- Lake - Intermittent
- BC Park, Protected Area, Eco Reserve
- Private

This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Weather parameters for the current fire season, including both active and inactive fires, are supplied from various weather stations. Weather data may be subject to revision slightly to the publish days. Wildfire data may not reflect the current fire situation, and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when information is received, however the accuracy of this data will vary. The information is intended for general purposes only and should not be relied on as accurate. Wildfire data is subject to change in perimeter size and acreage quantity. The levels of current fire activity within the report fire perimeters are very widely.
