Index Map

This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including the Fire Perimeter Rehab Policy, are supplied from various sources. The data is refreshed from operational systems on a daily basis. Wildfire perimeters are subject to change as the current fire situation, and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates may vary. The data is provided on an "as is" basis for purposes only and should not be relied on as accurate because fires are dynamic and circumstances may change quickly. The accuracy of the data may differ, the mapped fire perimeters can vary widely.
