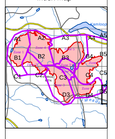
Index Map



This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including the most recent perimeter, are compiled from various sources. The data is extracted from operational systems nightly to the public map. Wildfire data may not reflect the most current information, therefore should only be used for reference purposes.

Wildfire data from the incident is updated when particulars and the occurrence of individual fire updates are received. Wildfire data is provided for reference purposes only and should not be relied on as accurate or complete. The status of wildfires and perimeters can change quickly. The levels of current fire activity within the mapped fire perimeters can vary widely.
