This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including the Wildfire Perimeter Buffer, are updated daily from multiple sources. The data is intended from operational systems, nightly to the public map. Wildfire data may not reflect current conditions and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when personnel and the occurrence of individual fire updates are received. Wildfire data is intended for planning purposes only and should not be relied on as accurate for tactical use. Fire sizes and perimeters may change quickly. The lands at current fire activity within the mapped fire perimeters can vary widely.
