Index Map

This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including those of control lines, are supplied from various sources. The data is refreshed from operational systems on a daily basis. Perimeters may change as new data for the current fire becomes available and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates is not guaranteed. Information is for internal use purposes only and should not be relied on as accurate because fires are dynamic and circumstances may change quickly. Please call the fire centre to verify the fire support for permissions can vary widely.
