This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including the perimeter of marked Rx's, are supplied from various sources. The data is refreshed from operational systems daily. The BC Wildfire Service makes no claims as to the fitness for current fire situations, and therefore should not be used for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates is not guaranteed. Wildfire data is for current fire purposes only and should not be relied on as accurate because fires are dynamic and circumstances may change quickly. The accuracy of the data may vary within the mapped fire perimeters can vary widely.
