Index Map

This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including the initial attack and subsequent fire growth, are preliminary in nature. The data is intended for operational purposes only. Data is refreshed from operational systems nightly to the public map. Wildfire data may not reflect current conditions and is therefore should only be used for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates will vary. The information is intended for general reference purposes only and is provided on an "as is" basis. Fire are dynamic and circumstances may change rapidly. Please refer to the wildfire status notice the mapped fire perimeters can vary widely.
