To Whom it May Concern:

As the Electoral Area A Director for Kicking Horse Mountain Resort (KHMR), I wholeheartedly support their application for grant funding for fire fuel mitigation.

KHMR is located in Rural Golden and is the major attraction in our region for both winter and summer activities. As the wildfires becomes today's normal, local governments must work with our communities to ensure they receive the support they need to alleviate any and all potential wildfire fuels.

It is my hope, that the Forest Enhancement Society of BC recognizes the importance of this need for KHMR to receive this funding through the grant process.

If you require further information, please don't hesitate to contact the undersigned directly at 250.344.8357 or email kcathcart@csrd.bc.ca.

Yours truly,
COLUMBIA SHUSWAP REGIONAL DISTRICT
