Re: Support for Whitewater Ski Resort's Application for Grant Funding for Wildfire Mitigation

Nelson Fire & Rescue Services would like to express our full support of Whitewater Ski Resort's FESBC grant application as we understand the importance of wildfire mitigation in and around communities such as Nelson.

Although Whitewater is technically not in our Fire Protection Area, it is located just outside and as we all know, wildfire doesn't adhere to jurisdictional boundaries. Wildfire mitigation work anywhere close to Nelson helps reduce the risk for community.

If you have any questions or concerns, please do not hesitate to contact me.

Best Regards,

Len MacCharles
