Data Sources and Notes:
Potential Forest Development Activity Areas are areas where road construction or logging may occur in the next several years.
This is not Ministry of Forests, Lands and Natural Resource Operations data. It has been provided by local licensees.
The areas indicated are just an estimated location of where the forest development activity might occur.
This information may be out of date and there are no representations made as to the accuracy or the information for any purpose other than its original purpose.
Any comments or input should be directed to the appropriate licensee.
