Data Sources and Notes:

- Potential Forest Development Activity Areas are areas where road construction or logging may occur in the next several years.

- This is not Ministry of Forests and Range data, it has been provided by local Licensees.

- The areas indicated are just an estimated location of where the forest development activity might occur.

- This information is current to February 2010 and is only updated once per year.

- Any comments or input should be directed to the appropriate licensee.
