Data Sources and Notes:

- Potential Forest Development Activity Areas are areas where road construction or logging may occur in the next several years.

- This is not Ministry of Forests and Range data, it has been provided by local Licensees.

- The areas indicated are just an estimated location of where the forest development activity might occur.

- This information is current to February 2010 and is only updated once per year.

- Any comments or input should be directed to the appropriate licensee.

Key map

The map displays a detailed topographic view of the Kalum Forest District. It includes contour lines indicating elevation, water bodies such as the Skeena River and various lakes, and several colored regions representing different land management areas. The map is labeled with coordinates and sheet numbers (1031066, 1031067, 1031076, 1031056, 1031057). Key areas include BCTS (green), CTR (blue), and KVL (dark green). The map also shows various roads and infrastructure, including the Skeena River and the Skeena Valley. The map is oriented with North at the top, as indicated by the north arrow in the legend.
