

Coast Operational Issues Forum

Active Rolling Action Items Schedule

Current to: March 5, 2013

ISSUE	LEAD	DUE DATE	ACTION
Elk Management Plan	Mike Stalberg	April 2013	ACTION: Update to be provided at next OIF meeting.
Scanner Scale	Les Kiss		ACTION: Les to send a letter to Craig Sutherland regarding FLNR contribution to the CSA scanner consulting group.
Coastal First Nations Protocol	OIF members		ACTION: Provide feedback to Lindsay Jones regarding the performance of the CFN agreement specifically but any other FN agreement also. Lindsay is willing to participate with licensees to address issues.
OIF Issues Management	Sharon/Kerry		ACTION: Send revised templates to OIF members.
OIF TOR	Sharon/Kerry		ACTION: Co-chairs to revisit the TOR as there is an expectation of some follow up. Paul Bavis noted he had submitted a table as a CFPA submission.
AAC Stabilization Issues Paper	Craig Sutherland Sharon/Kerry		ACTION: Craig Sutherland to get the Chief Forester to review the AAC stabilization issues paper. What does the Coast situation look like now, what are the drivers and trends? ACTION: Co-chairs will write up delegation instructions for an OIF sub-group regarding the issues paper on AAC stabilization and ask CRIT to scope out and bring back a proposal/workplan to the OIF.
Cedar Management Strategy	Chuck Rowan/ Harry Barrett		ACTION: CRIT to provide summary to the Chief Forester of the 5 units that were assessed and also inform him of the establishment of the monitoring protocol. Summary should also outline the next steps being recommended.
First Nations Strategic Consultation	Sharon		ACTION: Invite Bruce Sieffert to the next OIF to discuss the FN strategic consultation initiative and if he is unavailable invite Darrell Robb.
Powder Worm	Les Kiss		ACTION: Grade history on 2 nd growth is still an issue and Les will take it back to CTPAC. Still TBD

Waste Levels	Kerry McGourlick	March 2013	ACTION: Kerry to take the OIF subgroup Waste paper to the PFF. Didn't get on the PFF agenda but will try to get on the March agenda. OIF will share results with "groups currently engaged" which would include PFF but also others.
Road Use Agreements	Dave Marquis		Don Gosnell and Dave Marquis worked together and have combined resources and work on paper to be part of the <i>Resource Road Act</i> .
IWMS Policy	Tom Ethier	April 25/13	There was a letter signed by 3 ADMs who made the decision regarding the IWMS 1% calculation but industry did not get the rationale for the decision. ACTION: Tom Ethier to conduct a six week review process of IWMS objectives and will review outcomes with industry.
	Tom Ethier	April 25/13	ACTION: Tom Ethier to follow up with another letter so that everyone can understand what the rules are.
Foreshore Log Handling	Myles Mana	March 31/13	ACTION: Myles to notify by e-mail to DMs when information is ready and outline what should be looked at by FMLTs.
Public Interest Evaluation (PIE)	Larry Barr	April 25/13	ACTION: Larry to contact provincial cumulative effects lead to identify the linkages of the PIE project with provincial cumulative effects work.
