- Paxton Valley Work Unit

This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including both active and inactive fires, are supplied from various sources. Only those fires that have been confirmed are shown rightly to the public map. Wildfire data may not reflect the most current situation and should not be relied on as accurate for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates may vary. This data is provided for internal use and planning purposes only and should not be relied on as accurate because fires are dynamic and circumstances may change rapidly. The accuracy of this data may differ from the mapped fire perimeters can vary widely.
