This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including both active and inactive fires, are supplied from various sources. The BCWS does not guarantee the accuracy with regards to the public map. Wildfire data may not reflect the current fire situation, and therefore should only be used for historical purposes.

Wildfire data from fire incident is updated when practicable and the occurrence of individual fire updates may vary. This publication is provided for information purposes only and should not be relied on as accurate because fires are dynamic and circumstances may change substantially and quickly. Information within the mapped fire perimeters can vary widely.
