This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including both active and inactive fires, are supplied from various sources. Not all fires are mapped. Perimeter accuracy may vary to the public map. Wildfire data may not reflect the most current information. Do not rely on this information for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates may vary. This map is provided for general information purposes only and should not be relied on as accurate because fires are dynamic and circumstances may change quickly. While every effort is made to identify the mapped fire perimeters can vary widely.
