Disclaimer:
Wildfire perimeters for the current fire season, including both active and inactive fires, are supplied from various sources and may be subject to change. Perimeters are made public to the public map. Wildfire data may not reflect the current fire situation, and therefore should only be used for historical purposes.

Wildfire data from fire incident is updated when practicable and the occurrence of individual fire updates may vary. Wildfire data is provided for historical purposes only and should not be relied on as accurate because fires are dynamic and circumstances may change rapidly. The Province makes no warranty, either, for support the perimeters can vary widely.
