Disclaimer:
Wildfire perimeters for the current fire season, including both active and inactive fires, are supplied from various sources. The BC Wildfire Service does not guarantee their rigority to the public map. Wildfire data may not reflect the current fire situation, and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when resources are available and conditions allow, but may not be up to date. The information is intended for general reference purposes only and should not be relied upon because fires are dynamic and circumstances may change quickly. Persons planning any activity within the mapped fire perimeters are cautioned.
