Disclaimer:
Wildfire perimeters for the current fire season, including both active and control lines, are supplied from various sources and data is refreshed as operational updates are received. Perimeters are displayed as received and may not reflect the position as shown on the ground. They are for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates may vary. This map is intended for use for planning purposes only and should not be relied on as accurate because fires are dynamic and circumstances may change rapidly. Therefore, the accuracy may reflect the support for perimeters can vary widely.
