This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including the most recent updates, are provided by various agency sources. The data is refreshed from operational systems nightly to the public map. Wildfire data may not reflect the most current situation and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates will vary. The information is intended for general reference purposes only and is provided on an 'as is' basis because fire are dynamic and circumstances may change rapidly. Please contact the agency listed below the mapped fire perimeters can vary widely.
