This map may contain CONFIDENTIAL information: for INTERNAL use only

Disclaimer:
Wildfire perimeters for the current fire season, including both active and inactive fires, are supplied from various sources. Fire perimeters may be inaccurate and subject to rights to the public map. Wildfire data may not reflect the current fire situation, and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when resources are available. Information may be inaccurate or out of date. The information is intended for general reference purposes only and is not to be relied upon because fires are dynamic and circumstances may change substantially. Some fires may be entirely within the mapped fire perimeters can vary widely.
