Disclaimer:
Wildfire perimeters for the current fire season, including both active and inactive fires, are supplied from various sources and may not be complete. Perimeters are displayed rightly to the public map. Wildfire data may not reflect the current fire situation, and therefore should only be used for reference purposes.

Wildfire data from the newest is updated when perimeters are received and processed. Accuracy may vary. The information is intended for general reference purposes only. Wildfire data may change because fires are dynamic and circumstances may change rapidly. BCWS and its partnering agencies within the mapped fire perimeters can vary widely.
