Disclaimer:
Wildfire perimeters for the current fire season, including both police and daytime fires, are supplied from various sources and are subject to change. Fires are added and updated nightly to the public map. Wildfire data may not reflect the most current information and therefore should only be used for reference purposes.

Wildfire data from the incident is updated when predictable and the occurrence of individual fire updates will vary. The information is intended for general reference purposes only and is not to be used for navigation because fires are dynamic and circumstances may change quickly. The levels of current fire activity within the Firequard Extremely can vary widely.
