Disclaimer:
Wildfire perimeters for the current fire season, including both active and inactive fires, are supplied from various sources and may be subject to change. Perimeters made available to the public may Wildfire data may not reflect the current fire situation, and therefore should only be used for historical purposes.

Wildfire data from the incident is updated when practicable and the occurrence of individual fire updates may vary. Fire perimeters are mapped by a variety of methods and should not be relied on as accurate because fires are dynamic and circumstances may change rapidly. The accuracy of mapping activity within the mapped fire perimeters can vary widely.
